

## You can use our building

We want to make our building available to the local community as an act of Christian service. This could be as the location for your Christian wedding, or as a place to run a group or have a birthday party.

The Sanctuary, a great space for community events and celebrations.

The Crendon Hall, great for games, dancing and children's parties.

We also have three meeting rooms suitable for community and interest groups.

## Trinity – a place to belong

## Welcome!

We don't claim to have all the answers and we're not perfect, but we desire to serve God and reach out to all in our community. We aim to love Christ and to express that love in our daily lives. We believe that faith and prayer do make a difference!

Hospitality is important to us – do join us for coffee, tea or squash after our morning service.

We hope you will feel relaxed and at home.
